

## Peshawar

OPF Housing Scheme Peshawar is located about 1.5 kilometers from Motorway exist. The scheme was planned over an area of 991 Kanals. The infrastructure i.e. roads, watersupply and sewerage network and sui gas is complete including external electrification. The construction of boundary wall around the periphery of the scheme to ensure security and development of park for beautification of the scheme has also been completed.

All residential plots have already been allotted. Commercial plots in the scheme will be sold through open auction. Possession of plots is also being handed over to those allottees who have cleared their dues and interested for construction of houses on their plots.
